The Program is open to boys and girls age 7 to 18. It runs six weeks during the summer, Monday through Friday, on the water, from 10 A.M. till 3 P.M. Three levels are taught: beginner, intermediate and advanced with an emphasis on fun, safety, sportsmanship, cooperation and competition.

The Club uses the US Sailing Association format which offers several years of developmental skills in , sailing, theory, timing , balance, racing skills and seamanship. Instruction occurs afloat and ashore. Classes are kept small with a junior/teacher ratio of ten to one. The Junior sailing fleets are accompanied by three Coast Guard equipped power boats.

Acceptance into the program is on a first come/first served basis and is open to the public and membership alike. Participation is active, so please apply at your earliest convenience. **Deadline is June 30.** For further information and/or questions contact:
